Information Sheet No. 7/85

Record News

A new single has been recorded by Depeche Mode at Genetic Studios in Berkshire. The working titles are 'It's a Heart' c/w 'Fly on the Windscreen' both were written by Martin and will be mixed in London in July. The release date is in early September, probably the 9th.

A compilation album is planned entitled '81 to '85 for release in mid-October, including most of Depeche Mode's hit singles.

Martin has been writing new material for another album. It is hoped it will be recorded throughout November and December with a release in early 1986.

Tour Dates

There will be concerts following the new album release in the Spring of 1986 taking in Great Britain, Europe and USA and maybe some other countries. No dates nor exact venues have been decided yet.
