DEPECHE MODE NEWS

The band and myself had a smashing two weeks holiday; Alan ended up on Lanzarote in the Canary Islands with Dave and I, Martin went to Germany and Scotland whilst Andy stayed at home, although he did venture up to Clacton one day! Although the boys had to forsake three days tanning when their appearance on Top of the Pops came up it was well worth it when much to everyone's delight 'Everything Counts' went up to number 6 in the charts. Thanks to everyone who bought it!

I would like to express my apologies at the delay some people had to wait for their P16 photographs. The printers took much longer than anticipated and DEPECHE MODE were so busy rehearsing for the tour that it was ages before they could get round to autographing them. Once again I am sorry.
