

Depeche Mode Official Information Service

Information Sheet No. 6/85

Record News

Following the success of 'People are People' here in the Spring of last year, it is currently number 42 in the American charts and is expected to rise higher.

Depeche Mode will be recording a follow up single to 'Shake the Disease' in June and July which will be released in September.

A new album will be recorded throughout the last few months of 1985 and will be released, with a tour, in early 1986.

Tour Dates

A series of summer festivals have been set up for July, the current dates are:

July 9th Nice, France, Theatre de Vergure
11th Lyon, France, Uspace Tony Garnier
13th Brittany, France,
23rd Budapest, Hungary (████████████████████)
26th Athens, Greece
30th Poland
