Record News

This month sees Depeche Mode enter the studio to begin work on a new album due for release in August, as it progresses I'll keep you up to date.

'People are People' is currently the band's biggest selling single; matching 'New Life', 'Just Can't Get Enough' and 'See You' by going silver, but reaching a higher chart position in England as well as getting to Number 1 in Germany (a much bigger market).
