We would like to apologise for this month's Information Sheet being late but due to the European Tour we had to delay printing.

#### DEPECHE MODE NEWS

Dave, Andy, Alan and Martin would like to wish everyone a very, merry Christmas and a happy new year.

As many of you may have noticed, at the second Hammersmith Odeon concert in October a video film crew were recording the show for Mute Records. At the moment it isn't certain exactly how and to what extent the video will be used. Depeche Mode Information do hope to be able to offer a video cassette sometime next year at as low a price as is possible. Meanwhile if anyone thinks they may be interested in purchasing one please let us know so we know how many to order.

Will Pat from Woking who saw DEPECHE MODE at Hammersmith Odeon on 25th October please contact Wayne whom you met that night at 69 Belvoir Close, Mottingham, London SE9 4TD

#### RECORD NEWS

A new single, as yet un-named, can be expected in late January, once again available on both 7" and 12" with a bonus live track on the 12" recorded at Hammersmith Odeon in October.

#### TOUR NEWS
